Shinagawa Refractories enters into a Know-How License Agreement with Dalmia Bharat Refractories of India
July 5, 2022 Press Release

Shinagawa Refractories (Shinagawa), the leading global supplier of refractory solutions, announces that it has entered into a Know-How License Agreement for certain refractory products and services with Dalmia Bharat Refractories (Dalmia), one of the most prestigious and well-respected refractory producers in India.

Working in close collaboration with Dalmia, Shinagawa aims to further expand its business footprint in India, and this Agreement serves as the first step towards future development.

“Shinagawa is fully committed to supporting essential industries worldwide, and this Agreement with Dalmia accelerates further enhancement of our proximity for customers in India,” commented Heiki Miki, Division Director of Shinagawa Overseas Business.
